LETTER OF TRANSMITTAL

To His Excellency
The Governor-General of the Philippines,
Malacañang, Manila,
and

To the Honorable President of the Philippine Senate,
Legislative Building,
Manila.

Dear Sirs:

With due respect, the undersigned have taken the liberty to present to you in book form the memorials, resolutions, and petitions, the original copies of which were sent to you by the petitioners themselves, urging the appointment of the Hon. Felipe E. Jose, delegate to the Constitutional Convention, to the mayorship of Baguio as soon as this office is vacated by the present incumbent, Mayor E. J. Halsema.

Very respectfully,

PASTOR ESGUERRA

FOREWORD

The spontaneous and friendly spirit of the various memorials and resolutions compiled herein has prompted the publication thereof in book form. And the objective in this effort is merely to present these documents again to the authorities concerned in a form that will make their perusal less boresome. Besides, it is more convenient to keep a book than a file of loose-leaf type-written papers.

There is no need here for an elaborate discourse on the outstanding qualities of the man recommended in these memorials and resolutions for appointment to be the first Filipino mayor of the City of Baguio. For Mr. Felipe E. Jose, as a private citizen and as a public man, is amply and duly appraised in the memorials and resolutions printed in this volume. No better appraisal of him could have been made. These memorials and resolutions were conceived and written by men of different callings, in different walks of life; they are men of high standing in their respective communities. And they are all responsible men.

But it would not be amiss to add a slant on Mr. Felipe E. Jose as a man. He is, as are most of those who must sweat in order to live, appreciative of whatever reward, no matter how little, that comes to him for the work he has accomplished. He is not of the sort that counts the chicks before the eggs are hatched, or that will kill the goose that lays the golden eggs. He believes in the principle that man must earn what he receives.

As a family man he has always been dutiful; he has never been recreant to his duties to his wife and to his children. His treatment of them is exemplary, worthy of emulation by other fathers and husbands.

It would sound an exaggeration extolling him to the skies, and one might say, after reading these lines, that: "Here comes a perfect man." But any one who knows him full well would not hesitate to say that he is a MAN. He is a great Commoner.

His is the distinction of having been recommended for appointment to an important public office in so many memorials, resolutions, and petitions, unsolicited.

As a delegate for Baguio to the Constitutional Convention, the Journals of Session of that august body will suffice to prove his worth in that capacity. He was a member of seven committees of the Convention; i.e., Convention Membership, Committee, Immigration, Suffrage, Labor and Public Welfare, Impeachment, Insular Police, Nationalization and Conservation of Lands and Natural Resources, and Special Provinces. As a member of the Baguio City Council from 1931 to 1934, the resolution of the present council printed in this book speaks well of his public career. As a member of the Mixed Independence Mission to the United States in 1933, he did his part creditably.

If the selection of the new mayor of Baguio were by popular vote, doubtless Mr. Felipe E. Jose would easily emerge triumphant, for the number of signers of the memorials, resolutions, and petitions printed herein exceeds the number of voters who cast their votes in the last general elections in Baguio.

Baguio wants a New Deal. Its people need it. And thanks to the inborn love of liberty and justice of the American people, that New Deal so long delayed and so long hoped for will soon become a reality. By operation of the Tydings-McDuffie Independence Law, American officials in every branch of the Philippine government will soon relinquish their responsibilities to Filipinos, and Baguio's appointive officials are no exception. Only recently, the American mayor of Baguio, Mr. E. J. Halsema, tendered his resignation. The occasion thus becomes opportune for the appointment of a capable Filipino to head the administration of the City of Baguio.

Among those mentioned as possibilities to succeed Mayor Halsema, Hon. Felipe E. Jose, senior delegate to the Constitutional Convention and onetime member of the City Council of Baguio, is the most prominent. The people of Baguio have long realized Delegate Jose's outstanding qualities, and long before Mayor Halsema filed an application for retirement they had forwarded a memorial urging the appointment of Hon. Felipe E. Jose as Baguio's first Filipino mayor. More than 1,500 of Baguio's leading citizens signed and sent the following memorial on June 29, 1934:

MEMORIAL OF THE CITIZENS OF BAGUIO URGING
THE APPOINTMENT OF HONORABLE FELIPE
E. JOSE AS MAYOR OF THE CITY OF
BAGUIO, P. I.

WHEREAS, with the advent and establishment of the Government of the Commonwealth of the Philippine Islands in a few months, all the powers of government will have been placed in the hands of the citizens of the Philippine Islands in preparation of their ultimate assumption of the rights and responsibilities of independence and statehood; and

WHEREAS, since the implantation of American civil regime, the Government of the City of Baguio has been

placed mainly in the hands of nationals of the United States with the Filipino officials playing minor roles; and

WHEREAS, the Filipinization of all the offices in the Government of the City of Baguio is not only called for by the spirit and intent of the Philippine Independence Act but is also the avowed policy of America, as is shown by the commitments of various administrations of fostering local autonomy and of educating and training the people in the art of self-government.

THEREFORE BE IT RESOLVED, as it is hereby resolved, by the citizens of Baguio, Philippine Islands, representing all walks of life, among whom are government officials, professionals, businessmen, property-owners, laborers, and others, whose signatures are affixed to this memorial, to recommend and urge upon the leaders of the Filipino participation in the government, the appointment of Hon. FELIPE E. JOSE, senior delegate to the Constitutional Convention and member of the City Council of Baguio, as mayor of the City of Baguio in the event and upon the relinquishment of the office by the present incumbent, for the following reasons:

First. Hon. FELIPE E. JOSE possesses the experience and capacity required of a city executive, acquired thru three years of signal and meritorious service as elective member of the City of Baguio. He is also the City of Baguio's senior delegate to the Constitutional Convention.

Second. Hon. FELIPE E. JOSE has always spoused harmonious politico-social relations between labor and capital, and has dedicated the best years of his life to the cause, advancement and welfare of the labor class in the Philippines.

(a) He has been for several times vice-president of the Labor Congress of the Philippine Islands, and is actually affiliated with several labor organizations.

(b) He represented the labor unions in the Philippines in the 1933 Mixed Independence Mission to the United States.

Third. Hon. FELIPE E. JOSE is a man of great and varied experience.

(a) He has been a laborer, public school teacher, life insurance agent, optician and newspaperman. He was the editor of the defunct PLARIDEL, a bilingual semi-weekly review in Malolos, Bulacan.

(b) He speaks fluently five native languages besides English and Spanish.

(c) He is a brilliant orator and political thinker of profound thought and philosophy.

(d) He has travelled to every nook and corner of the Archipelago and has studied the life, customs, habits, and idiosyncracies of the people.

(e) As a member of the Mixed Independence Mission, he has not only closely followed the trend of labor movements in the United States, Europe and Asia, but whenever possible, he has studied the systems of local government and municipal administrations in the countries and cities he has visited.

Fourth. Hon. FELIPE E. JOSE is a man of unblemished character and reputation. He is also a man of undoubted integrity and honor. His dealings with his fellow-men as a private citizen and as a public official are beyond reproach. He is a true lover of democracy and the rights of man, and an admirer of fine American traditions. In fine, he is an ideal citizen and a trustworthy public servant.

BE IT FURTHER RESOLVED, to forward copies of this memorial to His Excellency, the Governor-General, to the Honorables, the President of the Senate and the Speaker of the House, the Philippine Legislature, and to the Honorable, the Secretary of the Interior.

Done in the City of Baguio, Philippine Islands, this 19th day of July, 1934.

Sir:

The Governor-General directs me to acknowledge receipt of the memorial dated July 29, 1934, signed by you and others, urging the appointment of Mr. Felipe E. Jose as Mayor of the City of Baguio should the present incumbent relinquish his post, and to inform you that he has ordered it placed on file for consideration when the proper time comes.

Please advise your co-signers accordingly.

Very respectfully,

(Sgd.) RICHARD R. ELY,
*Assistant Secretary
 to the Governor-General*

Mr. Jose R. Cabatuando,
 Attorney-at-Law,
 Baguio, Mountain Province.

In the wake of this memorial there flowed a stream of resolutions, letters and cablegrams addressed to Governor-General Murphy, President Quezon and other national leaders, thus giving a national scope to the movement the object of which is to make Delegate Jose the successor to Mayor Halsema. Before leaving for the United States to assume his duties as Philippine Resident Commissioner, Representative Francisco A. Delgado wrote Governor-General Murphy the following self-explanatory letter:

Manila, P. I.

October 13, 1934

Dear Governor:

Before leaving for the United States to assume my duties as Philippine Resident Commissioner, allow me to address Your Excellency on behalf of my friend, Hon. Felipe E. Jose. You will perhaps recall that Mr. Jose was one of those proposed to you by President Quezon for appointive representative from the Mountain Province.

I understand that Mr. Jose has been groomed by the citizens of Baguio and by various other people for the mayoralty of Baguio in the event the present incumbent relinquishes the office. I desire to express to Your Excellency my whole-hearted support of the movement.

Mr. Jose has been a friend of mine of long standing. During the years of our association, I have always known him to be a man of sincere motives and of conviction. In private life and in public service, I have observed that his one abiding ambition is to serve the working class of which he is one and for whom he is a true spokesman. He may be outspoken sometimes, but his assertiveness is always

tempered with a readiness to respect others' views and rights. In fine, dear Governor, Mr. Jose would make an ideal executive.

With sincere regards, I remain

Yours very sincerely,

Resident Commissioner

That Delegate Felipe E. Jose's appointment as mayor of Baguio finds support among business leaders, professionals and independent citizens is evidenced by the support given the movement to appoint him mayor by such notable figures as Don Leopoldo Khan, Don Leopoldo R. Aguinaldo and several others. In fact, upon the resignation of Mayor Halsema from office, Baguio's leading professional and business leaders sent the following testimonials of Delegate Felipe E. Jose's worth as a private citizen and as a public servant to Governor-General Murphy and to President Quezon:

P. O. Box 288
Baguio, Mt. Province
December 8, 1934.

His Excellency
Hon. Frank Murphy
Governor-General of the Philippines
Manila

Dear Sir:

We have taken the liberty to address you this petition in hopes of receiving your kind attention. First of all, we should like you to know that this petition has been inspired from within; it is a creation of our own will. It is a petition without the tint of political consideration simply because we are not politicians nor partisans of any political party.

No doubt, because of the new regime that is dawning upon the Philippines, the present Mayor of Baguio, Hon. E. J. Halsema, will retire from the service of the government. When he does so, with due respect we beg you to appoint Hon. Felipe E. Jose to succeed him.

We have known Mr. Felipe E. Jose to be a man of integrity, loyal to the sovereign government of the United

States and one who loves his country very dearly. As a citizen he is law-abiding and peaceful. We have had an opportunity to observe and study him as a public man, and that was when he served in the City Council of Baguio to which body he was elected by popular vote for the term 1931-1934. We found him to be a conscientious and hard-working public servant, honest, efficient, upright and possessed of good judgment. Mr. Jose polled the largest number of votes in the election of the two delegates for Baguio to the Constitutional Convention.

We believe and hold that the circumstance of Mr. Jose's being a labor leader cannot be a drawback to a program of efficient and honest administration of Baguio in the event he is appointed. He is a responsible man with a high sense of duty, and a responsible man will not betray a trust which comes to him under oath. A man of integrity, he will not, we are confident, be found wanting. Besides, his spirit of fair play and his broad-mindedness displayed in his dealings with people in all walks of life are guaranty enough that, if appointed, he will give Baguio a governmental administration satisfactory to all its inhabitants. And he will give everybody a square deal, too. Mr. Jose speaks and writes English, Spanish, Tagalog, Ilocano and Pangasinan.

Permit us to state that we have no complaint whatsoever against the present administration of Baguio, much less against Mayor Halsema personally.

Very respectfully,

Baguio, Mt. Province
December 8, 1934

Hon. Manuel L. Quezon.
President, Philippine Senate
Dear Sir:

We are sending you copy of a letter of even date, which is self-explanatory. The latter is attached hereto.

Please be advised that we are making this petition to you and to the Governor-General of our own accord, without the knowledge and consent of Mr. Felipe E. Jose. This we have done and will do again if necessary, because we know full well that Mr. Felipe E. José is an able man, honest, good, hard-working, reliable.

We should like to emphasize the fact that we, whose signatures appear below, know the conditions of Baguio and have the welfare of its community at heart. We believe that a man of rugged honesty regardless of his political affiliation should be chosen to run the affairs of this city. Of course, there are many other men equally capable, if not more capable, but we refuse to believe that there is any man other than he who enjoys better the confidence of the people of Baguio.

Let us add here that as a public man the record of Mr. Felipe E. Jose has been exemplary. His accomplishments as member of the Baguio City Council from 1931 to 1934 are a matter of record. His ability he has demonstrated not only as a councilor but also as a delegate to the Constitutional Convention to which body he was elected in Baguio with the highest number of votes.

It might interest you to know that the spirit of sectionalism or racial feeling has not been allowed to rear its head in the present move. Among the signers of this letter and that addressed to the Governor-General are Tagalogs, Ilocanos, Pampangos, Pangasinan, Chinese, Japanese, etc.

Trusting that you will not deny us your help in attaining the objective of our petition and thanking the Almighty for your prompt recovery from the successful operation you have undergone, we remain.

The colleagues of Delegate Jose in the Constitutional Convention were not lacking in sympathy with the movement to appoint him mayor of the Pines City. A majority of them signed and forwarded a resolution enumerating the reasons why Delegate Jose deserves the appointment as Baguio's first Filipino mayor. This resolution signed by 108 delegates follows:

CONSTITUTIONAL CONVENTION
MANILA

Dear Colleague:

Allow me to express to you my sincere appreciation for your kindness in affixing your signature to the resolution endorsing my appointment as Mayor of the City of Baguio to His Excellency, the Governor-General, and the Filipino leaders. No one knows more than I do my limitations, and it is a great source of pride on my part to note that I have many friends who, likewise being cognizant thereof, could still place great trust in me.

Your expression of faith in me, I shall forever cherish in my heart, and time cannot efface from my memory a friendly act so graciously done. My only hope is that I may be able to repay sometime, somehow and I trust that you will always consider my humble self at your command.

Yours very sincerely,

RESOLUTION

WHEREAS, with the recent resignation from office of the Honorable E. J. Halsema as City Mayor of Baguio, the appointment of a Filipino to the mayoralty of Baguio comes as a logical step in view of assumption of the rights and responsibilities of self-government by the Filipino people under the forthcoming Commonwealth Government; and

WHEREAS, should the Administration and the Filipino participation decide upon the Filipinization of the office of mayor of Baguio as sagacious statesmanship and political wisdom would demand, the appointment of Honorable Felipe E. Jose, Baguio's senior delegate to the Constitutional Convention and one-time member of its City Council, which has been urged by its cosmopolitan citizenry and by various governmental bodies, civic entities, and

by well-known business and political personages in and out of Baguio demands the serious attention and consideration of the Administration and the Filipino participation in the Government now that the mayoralty of the City of Baguio has become vacant; and

WHEREAS, we add to the various qualifications of Honorable Felipe E. Jose advanced by the supporters of the movement for his appointment as mayor of Baguio his distinguished qualities as a labor leader, his high sense of duty, his moral integrity, his broadmindedness, vision and patriotism,—qualities needed in an office of trust and responsibility as the Mayoralty of a City like Baguio;

THEREFORE, be it resolved as it is hereby resolved, by the Philippine National Confederation of Workers and Peasants, to express its sense that Honorable Felipe E. José deserves the appointment and is the logical and best appointee to the office of Mayor of Baguio.

With the almost universal clamor for the appointment of Honorable Felipe E. Jose as first Filipino mayor of the City of Baguio, his appointment to the office becomes at once logical and apposite,—logical, because he possesses the qualities needed of a good city executive;—and apposite, because it conforms to the wishes of the people of Baguio. With Delegate Jose's appointment, Baguio's prayer for a New Deal shall have been answered. Let it therefore be so as no government can be successful if it ignores the wishes of the governed.

"Activo y emprendedor. Enemigo de subterfugios y vaguedades. Character sencillo y franco. Buen amigo pero mal enemigo. En su vida de bohemio, cató todos los sinsabores. Llamado por la Patria, se sumó a las fuerzas revolucionarias y muy joven cayó prisionero de los americanos. Y, deseando ofrendar algo más a la Patria, como hijo de Bulakan, arrancó de su lira hermosos versos. En justas literarias venció a muchos buenos escritores. Qui-so ascender más, y dejó su lira para convertirse en defensor acérrimo de los hijos del sudor, de los que forman la legión de los perseguidos por la mala suerte, y sus esfuerzos resultaron una palanca. Hoy lucha por los campos ingratos de la política, y su buena estrella que siempre le ha ayudado, ya le dió un triunfo asombroso cuando salió elegido Delegado por la Asamblea Constituyente de nuestra futura nacionalidad. Ese es Felipe E. José, estimadísimo amigo, personificación de nuestros *maginoos*."

"Dichosos son los hombres que han sabido trazar el camino de sus propias ascendencias. Felipe E. José es uno de esos hombres que, por propios esfuerzos ha podido escalar; de humilde obrero como zacatero, cargador y pescador, a miembro del Consejo de la Ciudad de Baguio y

despues, como Miembro a la Asamblea Constituyente. Este hombre está llamado a grandes destinos. Le llamamos hoy el GRAN HOMBRE COMUN.

"El Hon. Felipe E. Jose, tiene todas las cualidades y cualificaciones para ocupar puestos de responsabilidad en nuestro Gobierno; sus brillantes ejecutorias y propios méritos prueban su capacidad para ser un buen ejecutivo: ahí está el GRAN HOMBRE COMUN."

FELICIANO GARDINER,
Representante por Tarlac.

"The improvement of a community depends in a large measure upon the activities of its residents. Baguio, a growing city, is fortunate to have Felipe E. Jose, a councilor and a delegate. His work as government official has always been for his constituencies. As a leader of the masses, he has dedicated himself for their upliftment and well being."

EUGENIO PEREZ,
Rep., Pangasinan,

"It is seldom that a newspaperman holds a public official in high esteem and affectionate regard. In the Hon. Felipe E. Jose, member of the Philippine Constitutional Assembly, however, I have always found a great deal to admire and appreciate. He is one of the few politicians I have known who is deeply sincere in all his motives and aims. That he is destined for greater achievements in the near future, I do not entertain the slightest doubt"

Si quereis servicio, celoso, y dinámico servicio desde la Alcaldía de Baguio a la comunidad entera que abarca la ciudad, sobre todo a la parte humilde a infortunada, haced a Felipe E. José el Alcalde de Baguio.

FRANCISCO VARONA,
*Representante por el Norte de
Manila.*

Baguio es un orgullo de Filipinas por su clima y riquezas y por eso hay que buscar a un Felipe E. José como Alcalde para el mantenimiento y desenvolvimiento del bendito suelo de esta ciudad de los Pinos.

JACINTO TOMACRUZ,
*Gobernador Provincial
Nueva Ecija.*

El paso mas acertado es poner a Felipe E. José como alcalde de Baguio. Nuestra masa encontraría una prueba más de cuando uno de ellos reune méritos se le dá lo que se merece.

DAVID PEREZ DE TAGLE
De La Opinion.

The City of Baguio being very cosmopolitan, needs for its Chief Executive a man who is well liked and loved by all,—the forgotten men, the capitalists, the professionals, the leaders and the tax-paying public. Hon. Felipe E. Jose, former elderman and delegate to the Constitutional Convention, undoubtedly meets such qualifications for the Chief Executive of the summer Capital of the Phil-

ippines. The memorials, resolutions, petitions and letters published herein, which are authentic copies of the originals submitted to his Excellency the Governor General, and the Filipino leaders are tangible proofs supporting my assertion. In fact, in my humble opinion, no better person can be selected for the position of Mayor of the city of Baguio than Hon. Felipe E. Jose, who has the absolute confidence of the leaders and the citizenry. His appointment for any responsible position in our government would mean a vindication of the laboring class.
